# Objective Force Maneuver Sustainment Support Concept

---

**A WORK IN-PROGRESS !**

# Agenda

---

- **Background**
- **Why a new sustainment concept & culture?**
- **Essential CSS Capabilities**
- **Objective Force Concepts**
- **Sustainment DTLOMS implications**
- **ESF functional structure**
  - **OF maneuver unit of action sustainment**
  - **OF maneuver unit of employment sustainment**
  - **OF theater army sustainment concept**

# Background

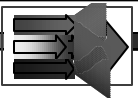

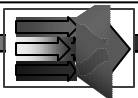

---

- **MG (R) James Wright**
- **TRADOC draft Objective Force O&O**
- **Army Transformation Wargames (ATEGs)**
- **OF CSS seminars & workshops**
- **Army Transformation Campaign Plan (ATCP) (L.O. #9)**
- **HQDA / RAND / ANTEON studies / ASLP**
- **White Papers, FMs, JOINT Pubs**
- **Division CAPSTONE Exercise (DCX) PH I, NTC rotations**
- **Army Strike Force efforts**
- **Joint Strike Force efforts**
- **Lessons Learned (Just Cause, DS/DS, OJE, Kosovo, Chechnya)**

# CSA LOGISTICS

## Directives to the CSS Community

 <b>THE ARMY VISION</b> 	 <b>DCSLOG</b>

**However, the overarching goal is to provide rapid and assured sustainment to forces in full spectrum operations worldwide**

# Why a New Sustainment Concept & Culture?

## *Objective Force*

- ❑ A strategically responsive *Army* capable of dominating at every point on the spectrum of operations

A Combat Ready Brigade in 96 hrs,  
a Division in 120 hrs,  
and Five Divisions in 30 days.

- ❑ Full Spectrum Capable --  
Optimized for decisive  
victory in the close combat  
of the MTW fight

RESPONSIVE  
DEPLOYABLE  
AGILE  
VERSATILE  
LETHAL  
SURVIVABLE  
SUSTAINABLE

## Characteristics of Future Operations:

- A thinking enemy
- Multi-dimensional in construct
- Strategic preclusion through rapid response
- Executed as a Combined Joint TF in an interagency environment
- Precise lethality and maneuver
- Distributed, in design
- Contiguous - non-contiguous in execution
- Simultaneous - blending of offensive, defense, stability & support missions
- Expanded Battlespace (far more than a contiguous, physical place)
- Knowledge Centered
- Constant high OPTEMPO / overmatch

# Objective Force Concepts:

---

- **SA/SU is imperative for sustainer (Logistics COP)**
- **Maneuver forces operate without sustainment, less medical, for periods up to 72-96 hours**
- **Sustainment operations based on a battle rhythm**
  - **Logistics Replenishment / “Pit Stop” either manned or unmanned (cache)**
    - **Maintains OPTEMPO**
  - **Mission staging sustainment operations conducted between missions -**  
**Changes OPTEMPO**
- **Supported unit demand requirements greatly reduced**
- **Pre-configured Loads (SCL, UCL, MCL) with correct items in the right quantities are critical to early entry sustainment**
- **Organic maintenance resources limited to on-system maintenance capabilities, limited systems exchange, and limited recovery operations**
- **Consolidation of most maneuver sustainment at higher echelons allows for surge capability with reduced “logistics footprint”**
- **Sustainment units operate at extended distances mandating aerial replenishment capability**

# Why a New Sustainment Concept & Culture?

---

- ***STATUS QUO* is not a Course of Action**
- **The need for radical improvements in deployment and sustainment preparations, National to unit level**
- **Simpler RSO&I requirements**
- **Full-spectrum sustainment DTLOMS to include C4ISR and Situational Awareness (SA), National to unit level**
- **Increased speed, National to unit level**
- **Improved command, support, and staff relationships, National to unit level**
- **Improved partnerships (AC/RC, industry, Joint, interagency, MNL, coalition, maneuver, and maneuver support)**
- **Improved protection, National to unit level**
- **Need a Single Army Support Provider**

# Sustaining the Force

## "The Real Challenge"

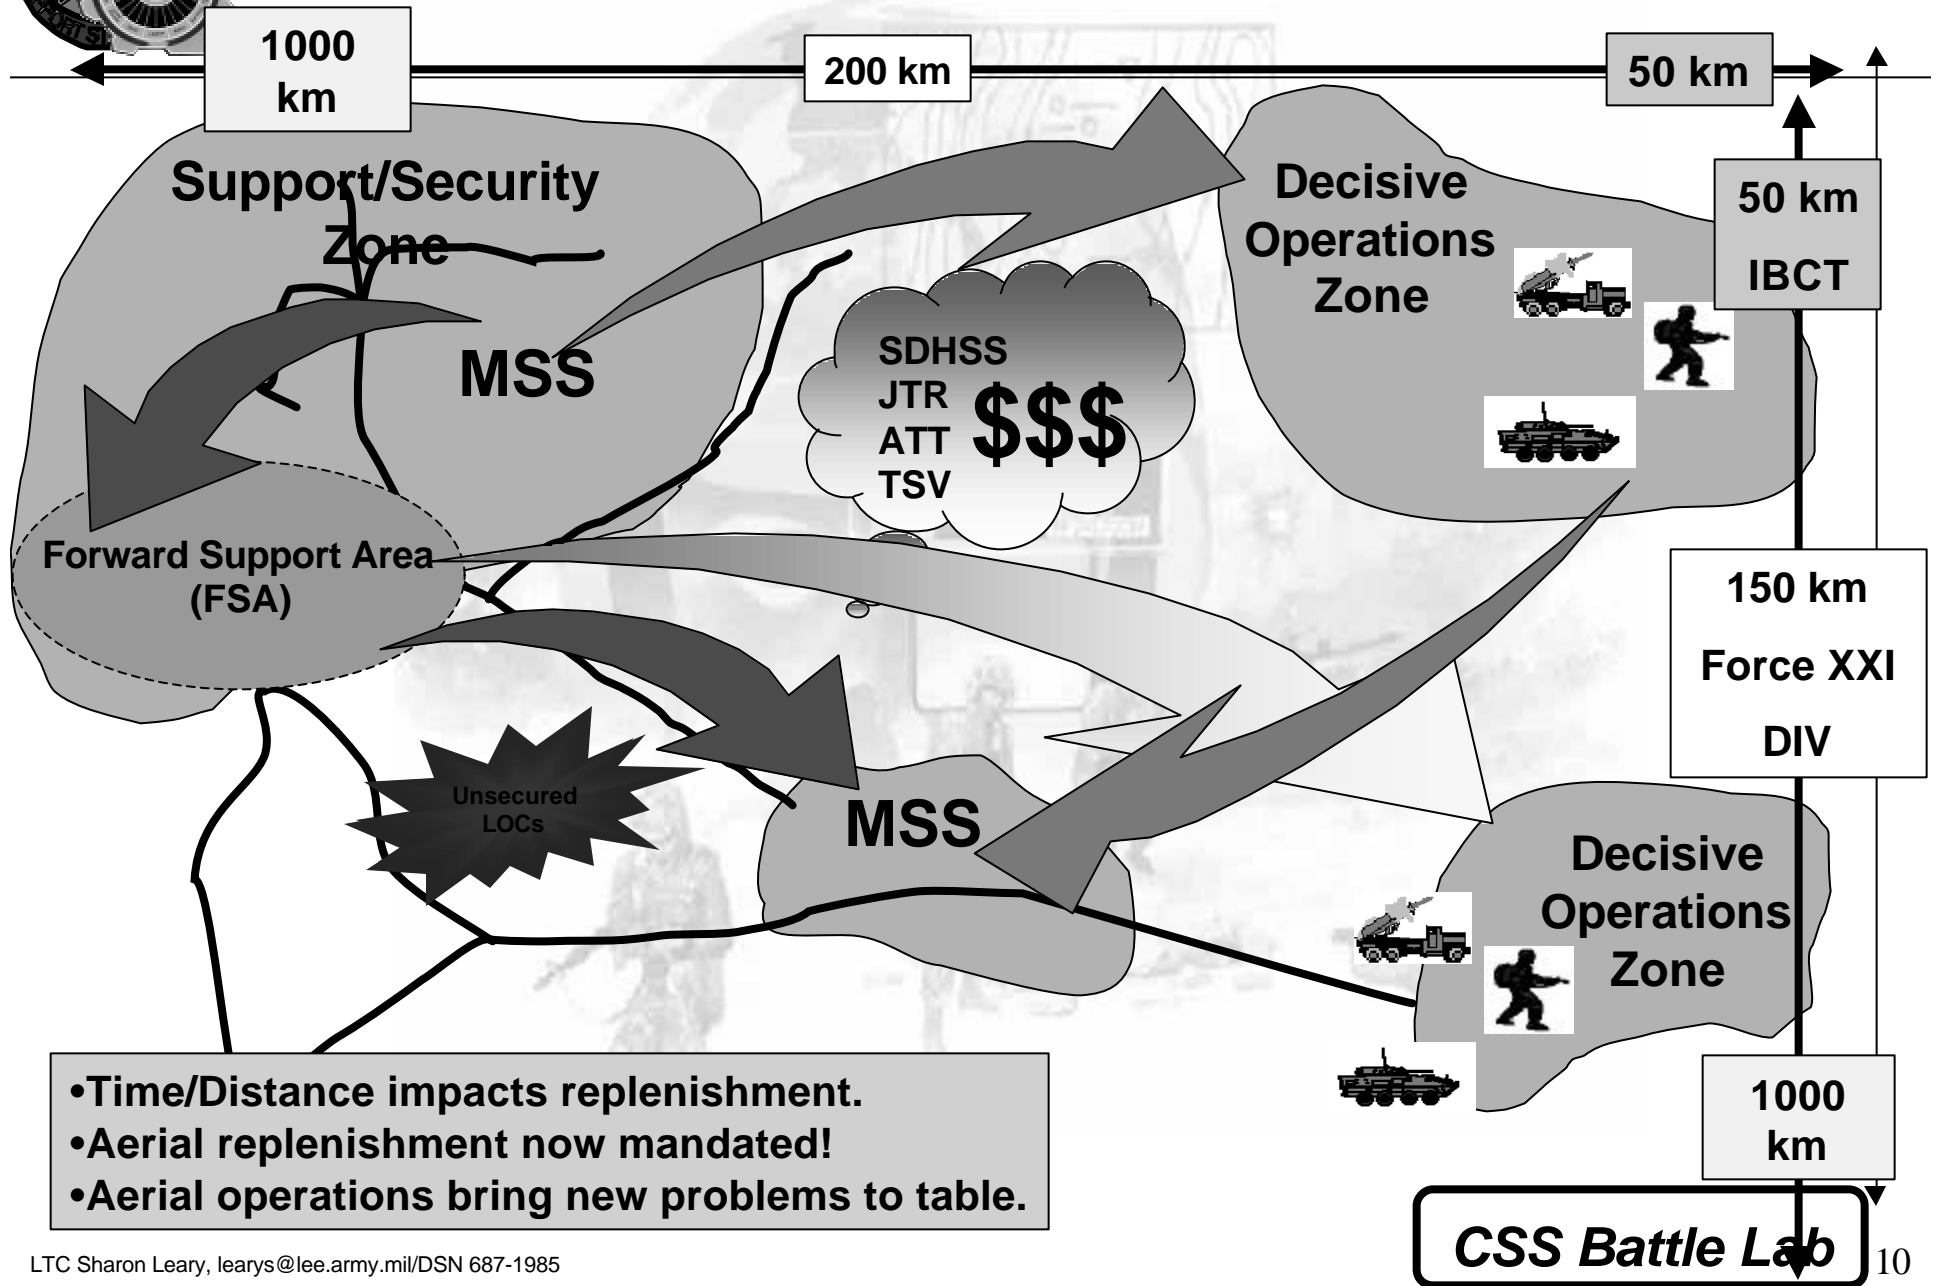

Traditional  
Operations

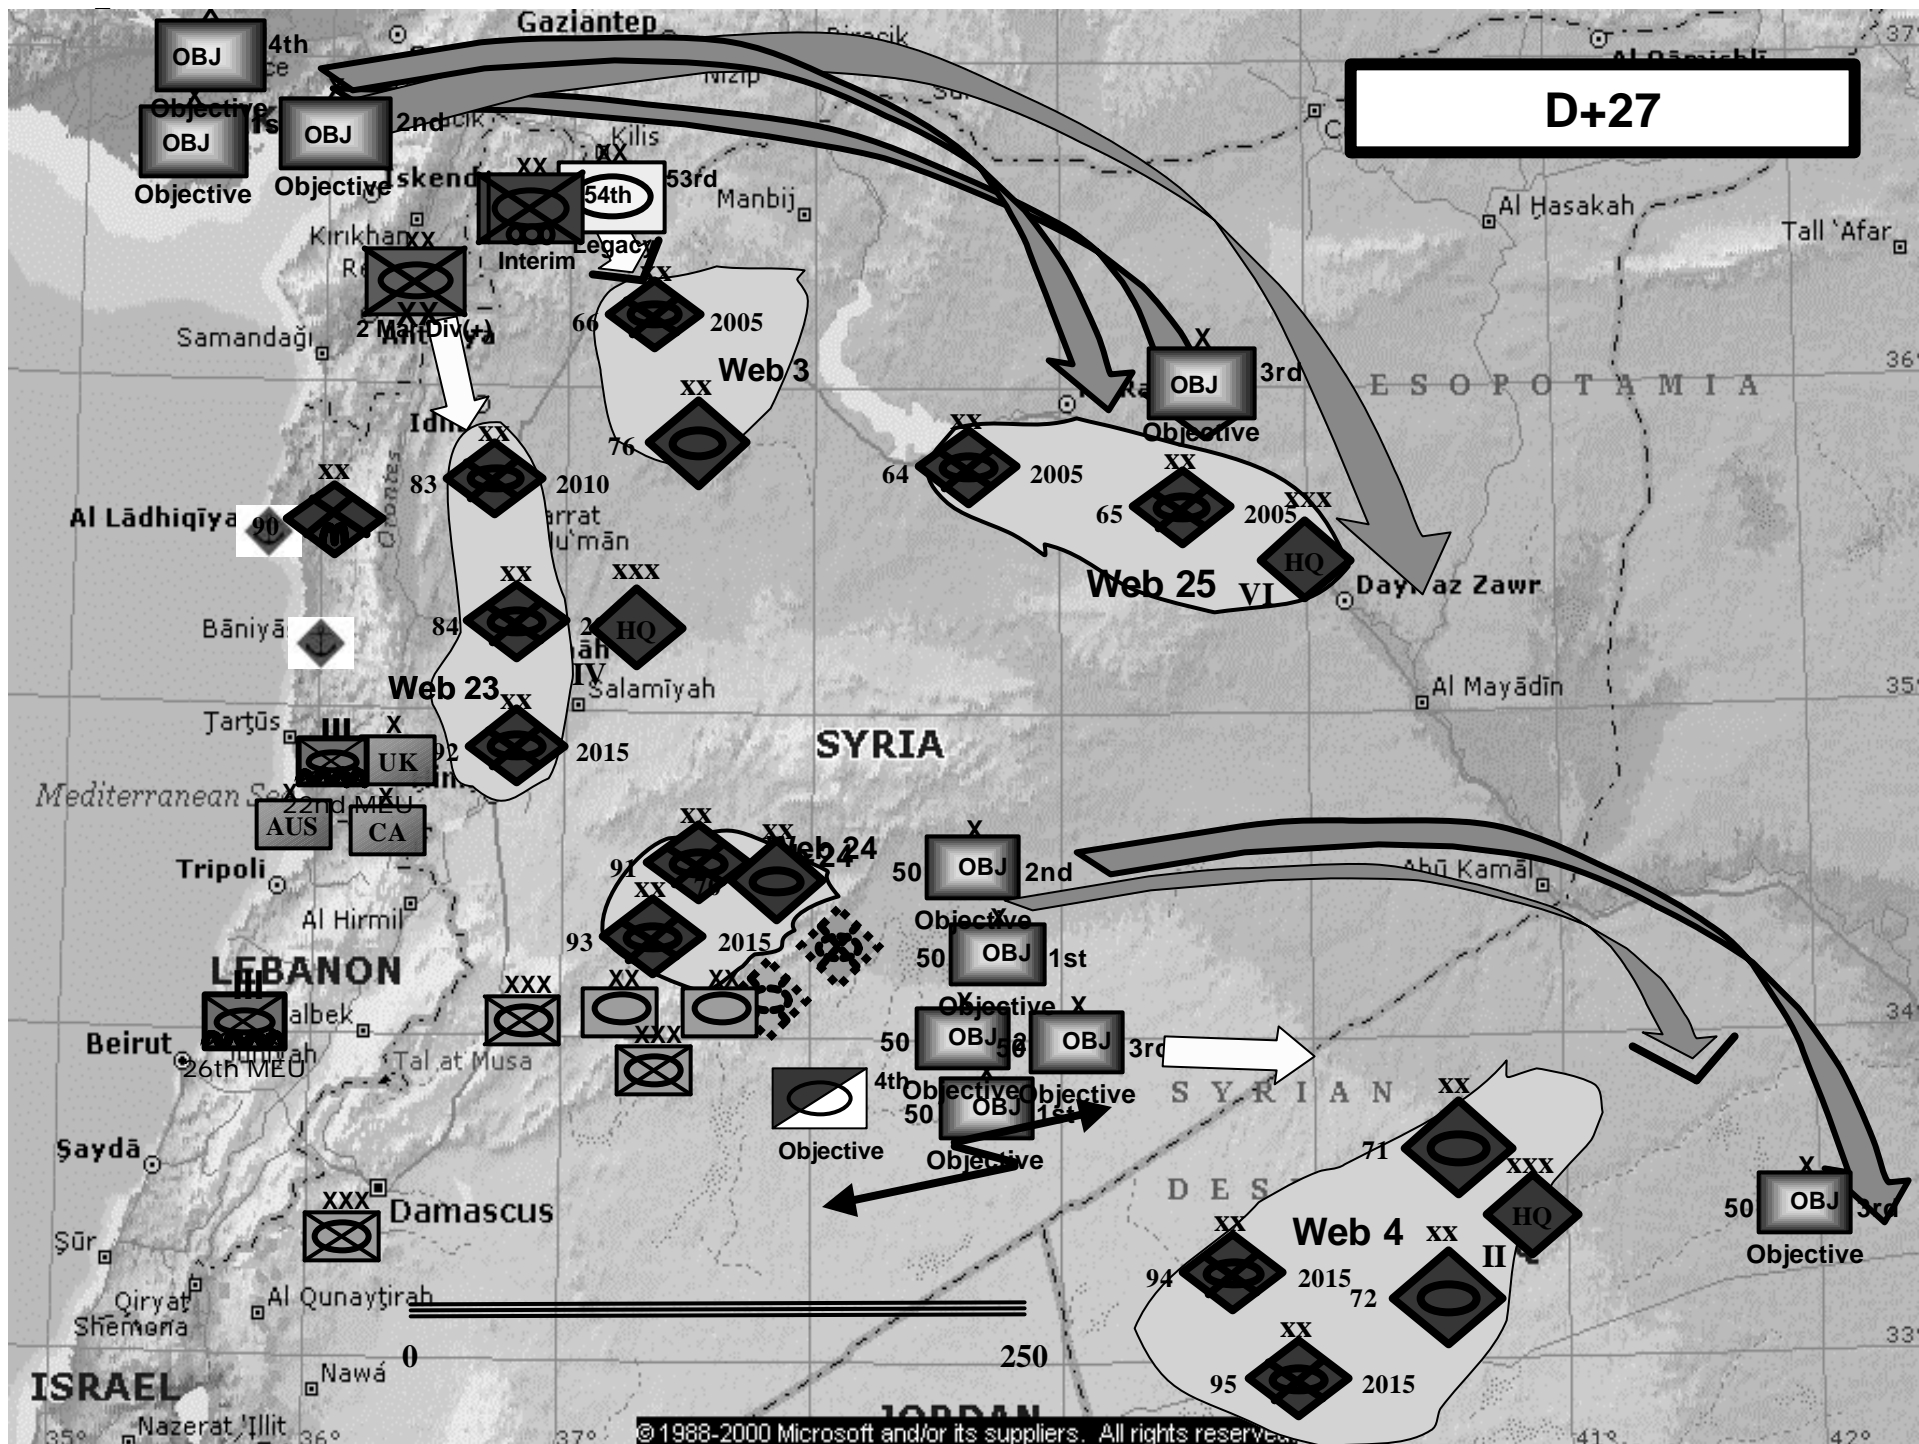

Advanced Full  
Dimensional Operations  
(AFDO)

# Objective Force Environment

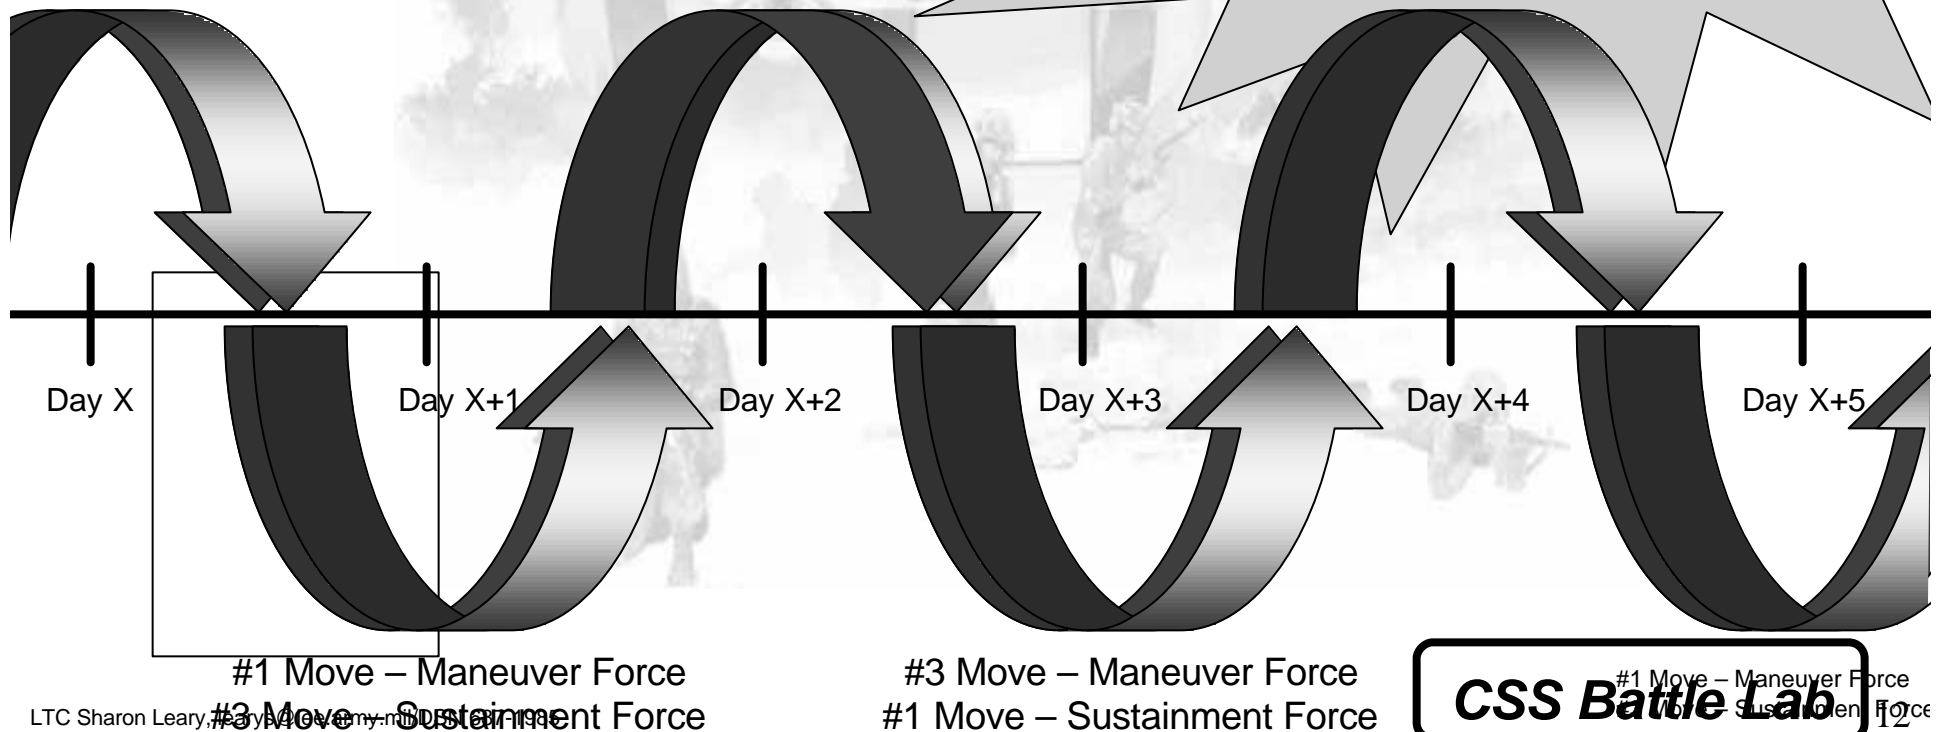

**#1 Move ➡ #2 Decisive Operations ➡ #3 Move ➡ #4 Replenishment ➡**

**\*\*Only time both forces come together deliberately\*\***

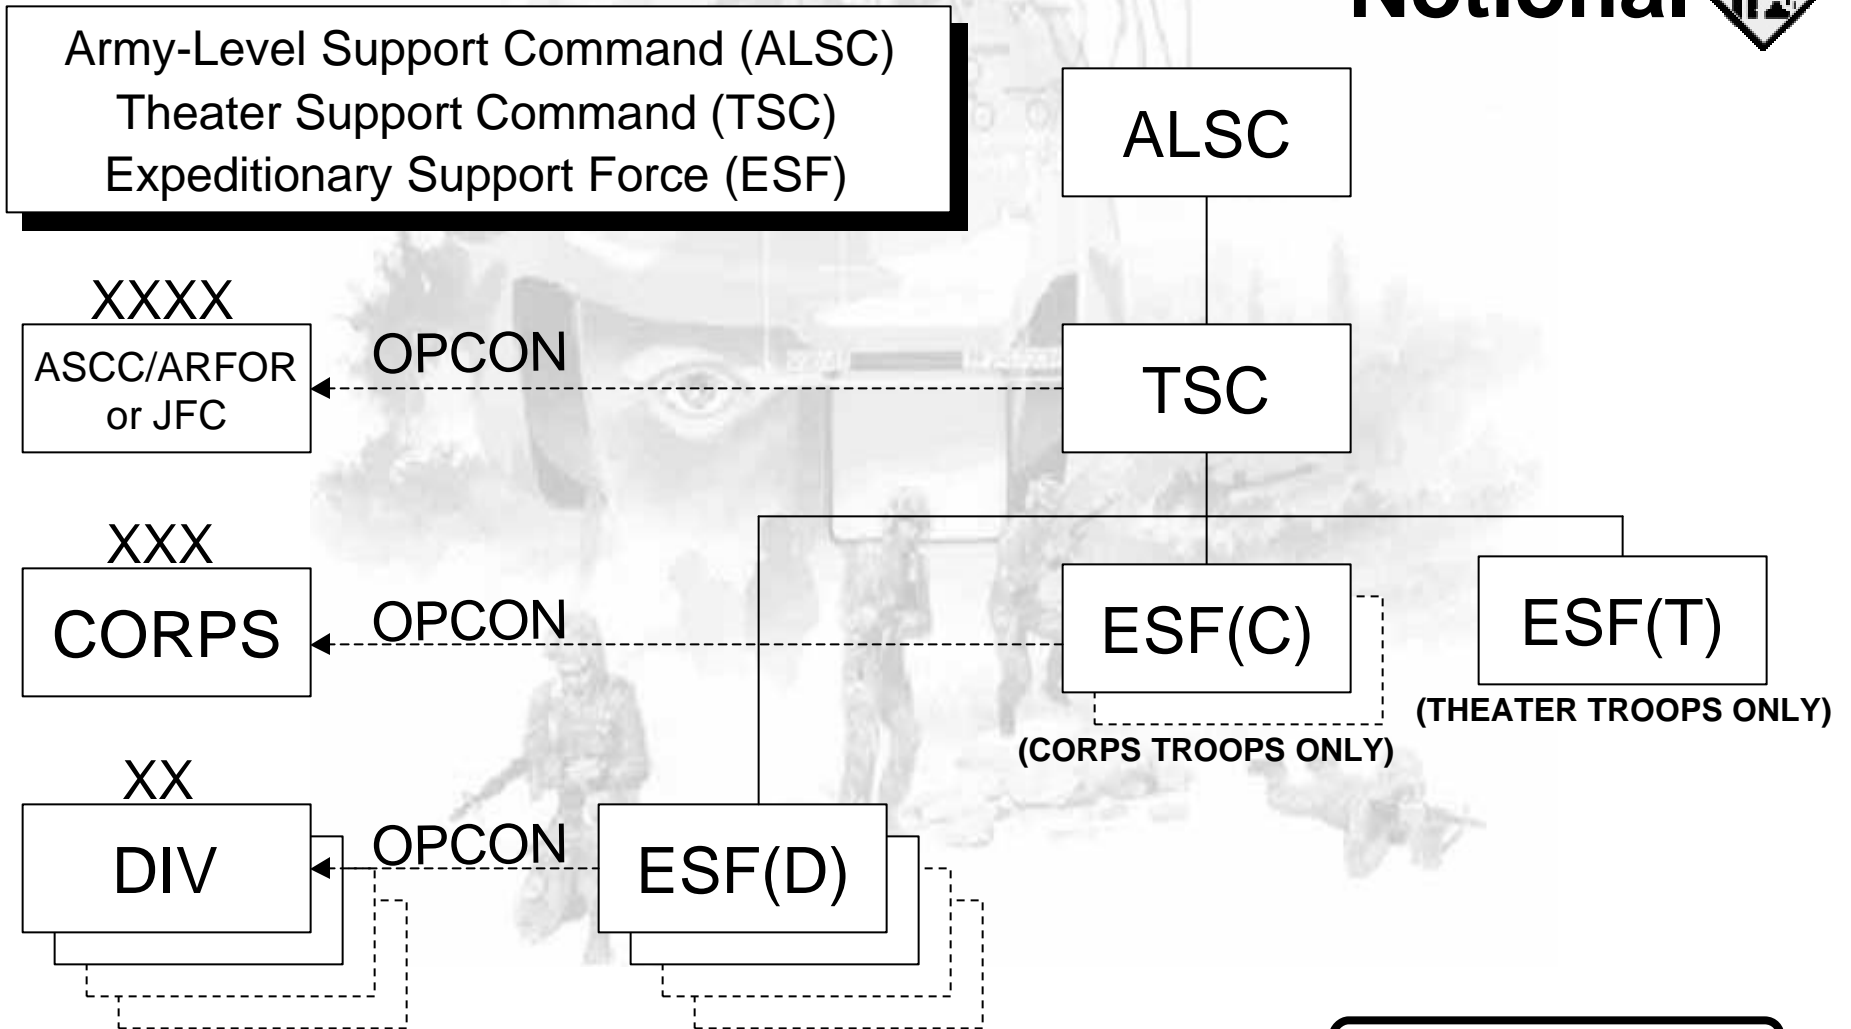

**#2 Decisive Ops by Sustainment Force**  
**#4 Replenishment of Maneuver Force**

# Theater Support Organization

Notional 

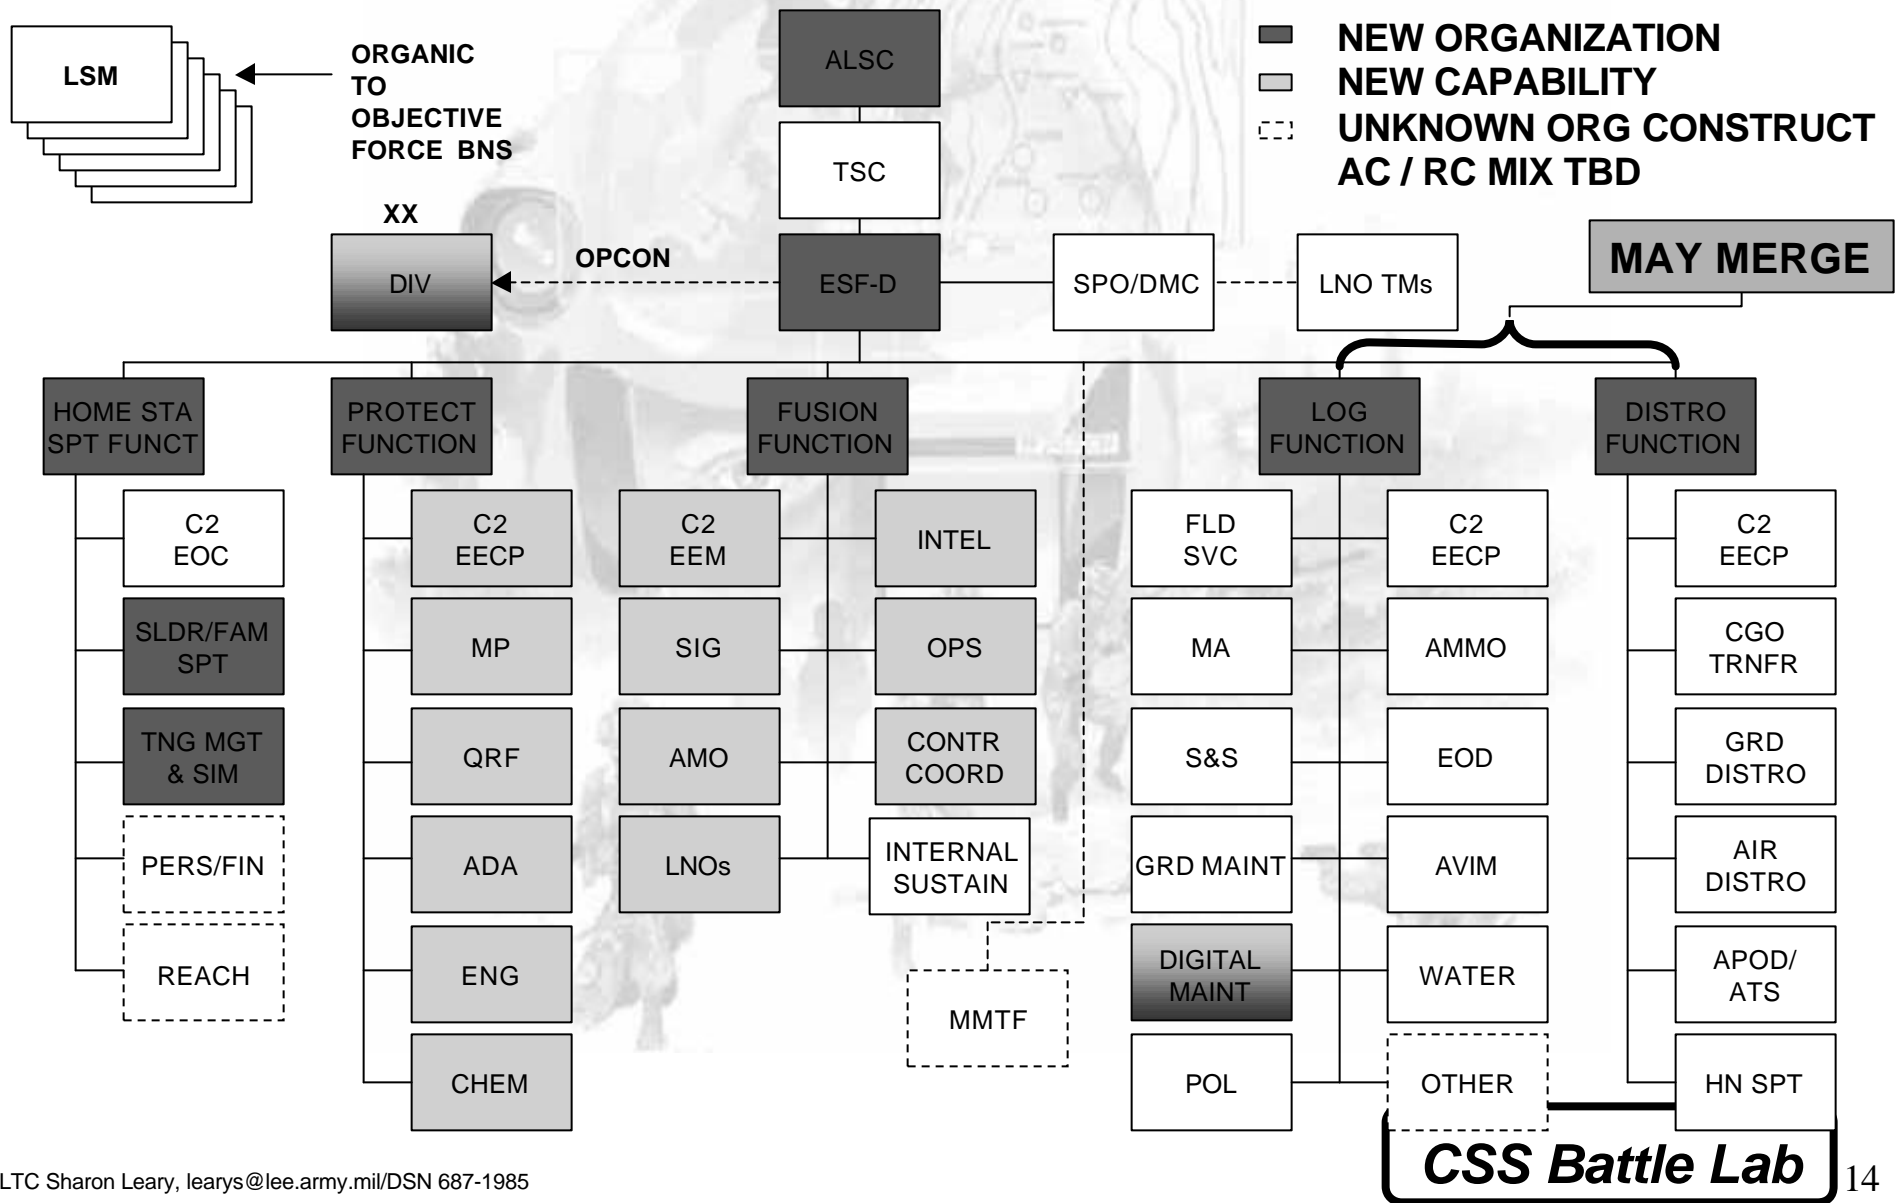

# ESF - D

# NOTIONAL

## Functional Structure

# NOTIONAL

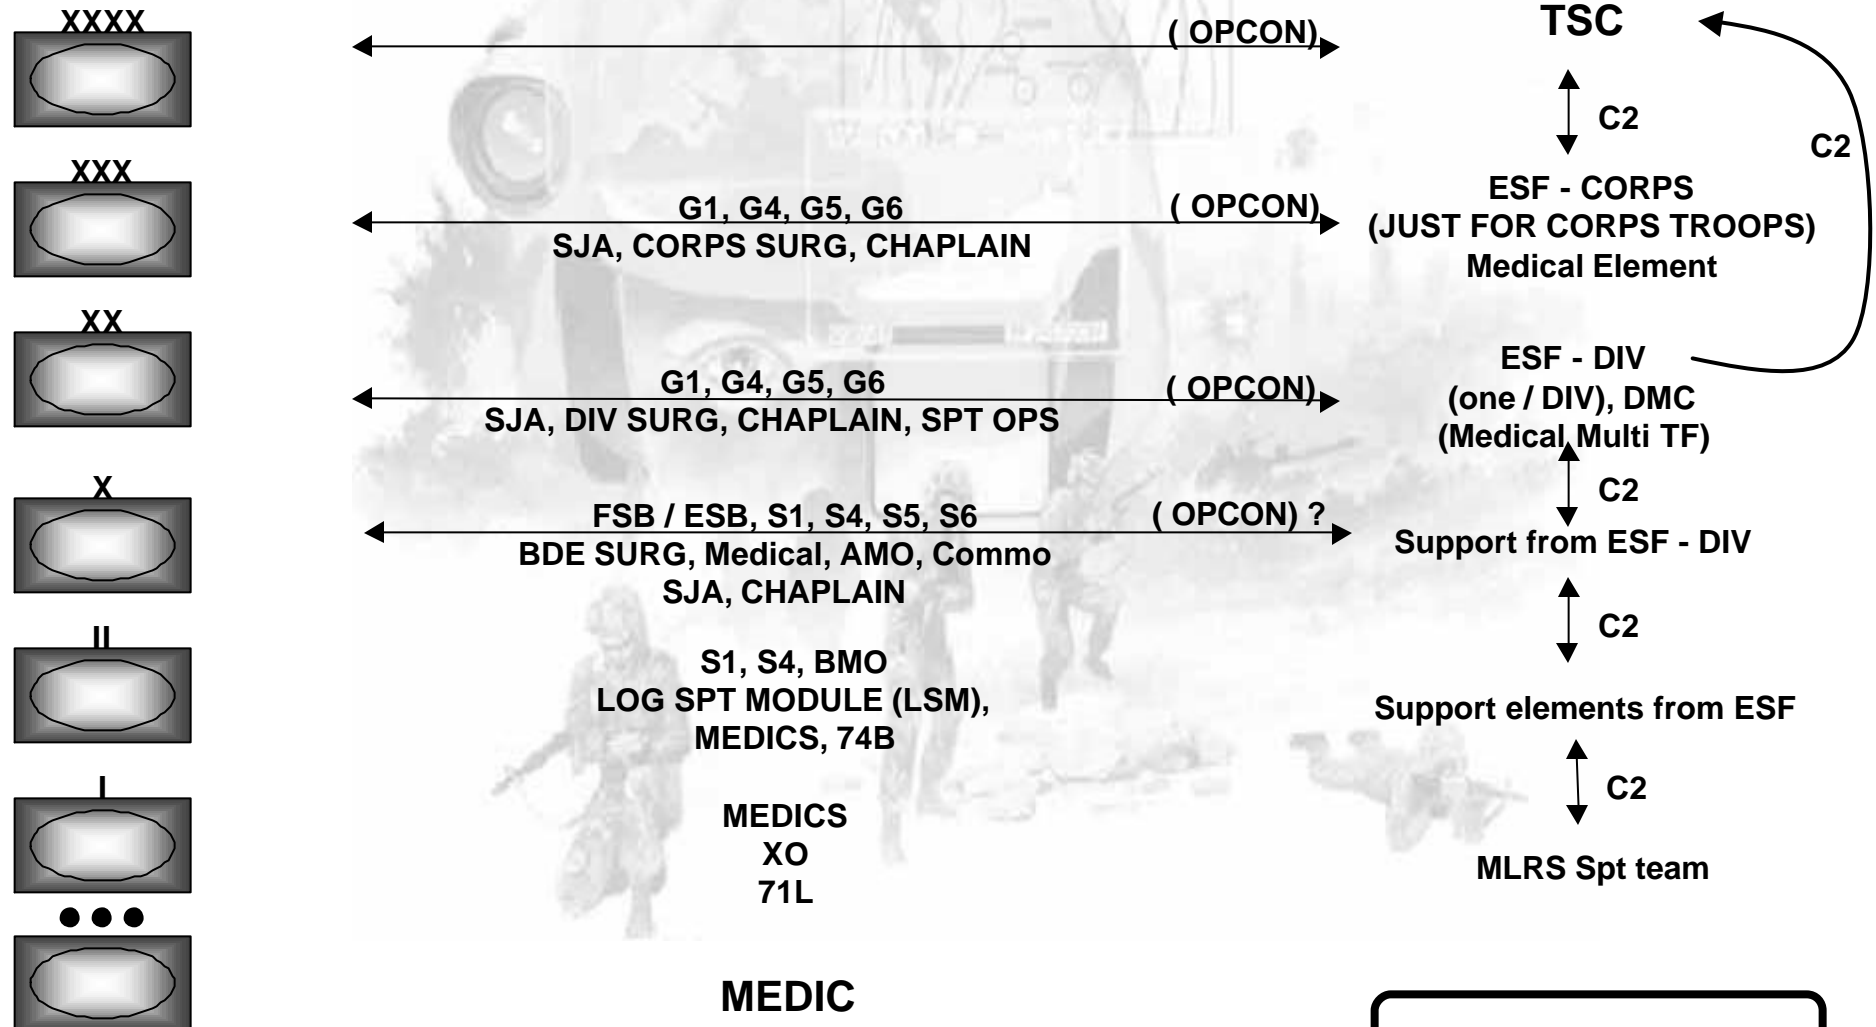

## If FCS BDE is the Unit of Action

### OF Maneuver

### Organic Sustainment

### Non – Organic Sustainment
